

Brown County

Executive Proclamation

Whereas, Karen H. Dorau worked tirelessly as the lone Coordinator of the Victim Witness program at the Brown County District Attorney's Office for more than 33 years;

Whereas, Karen H. Dorau was someone whom crime victims could depend upon to help them through some of the most difficult times of their lives;

Whereas, Karen H. Dorau served as a confidant, mentor and trusted advisor for all who worked at the Brown County District Attorney's Office, making each person feel better when they left her office than before entering;

Whereas, Karen H. Dorau earned eight awards and recognitions both locally and statewide for her efforts since the Legislature enacted the victim bill of rights in 1984;

Now, therefore, I, Troy J. Streckenbach, proclaim Thursday, April 12, 2018

Karen H. Dorau Day

in Brown County, and hereby dedicate the conference room inside the Brown County District Attorney's Office as the Karen H. Dorau Conference Room since she will forever be in our hearts and her passion for helping crime victims will live on in the actions of the office.

In Witness Thereof, I have
hereunto set my hand this 21st day of
March in the year two thousand eighteen.

Troy Streckenbach
Brown County Executive
